

Fertilize (Life As It Begins)

Original title: Fertilize (life as it begins)

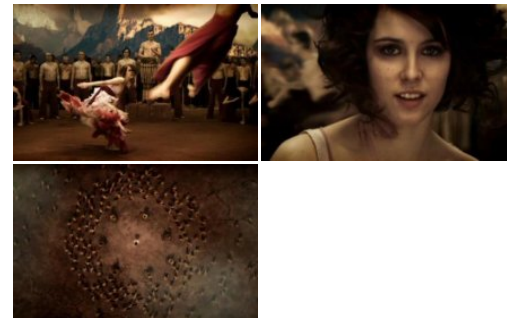

The story of a pretty girl in a futuristic environment surrounded by thousands of warriors, all part of a magnificent choreography of dance and warfare in which, ultimately, only one warrior meets his destiny. "I wanted to make a perfect transition from a choreography of dance to a choreography of fight, blending the characteristics of oriental Kung Fu film with elements of African dance," says director Senne Dehandschutter.
