

# Flower of a Thousand Colours

Original title: Flor de Mil Colores

Emiliana is a single mother trying to survive in a remote Bolivian mining camp 4,897 metres above sea level. She lives with her children in the middle of the paradise-like mountains of Mina Argentina. But appearances are deceptive: life in the camp is fierce and alcohol-driven. Those who find tin eat; those who don't, don't...

## CREDITS
