

For the Record

Original title: For the Record

Aïlien Reyns traveled to Beijing, China, and asked people to post videos about ?, the character for 'home', 'family', 'a place you belong', ... Back in Brussels, she invited Fleur Khani to watch this collection of videos and respond by writing a voice-over about home from her Western perspective. For the Record offers a contemporary insight into the lives of people in a metropolis and researches the different forms of proximity.
