

# Friday Or Another Day

Original title: Vendredi ou un autre jour

**From the moment I left the seashore where I landed the evening before, I felt a first change. I was more serious, that is heavier, more sad, to have completely accepted and measured this loneliness, wich would be my destiny, maybe for a long time... The idea itself of being deprived definitely of the look of others and of never being able to interest somebody, alone on this island, ignored by the maps, condemned me in fact to lifetime penal colony. Based on the novel by Michel Tournier**
