

Fucking Suburbia

Original title: Fucking Suburbia

The empty streets of a boring Belgian suburb during a hot summer holiday. Noels, a 32-year-old man, just moved back in with his mother. While she is on holiday, he must take care of his grandmother who suffers from dementia and his 16-year-old brother Jannes. Although the two brothers don't appear to get along, they soon discover they have more in common than they thought.
