

Full Of Grace

Original title: Vol van gratie

Having dutifully served their lords for decades, two nuns find out that ecstasy does not only come from above. When they stop at a shop that sells sex toys to buy candles, the nuns return to the convent with rubber phalli instead. Setting them alight the noxious smoke drives the nuns back to the shop for something that will smell more pleasant. The shopkeeper obliges, and this time, all the sister nuns will have their spirits raised.
