

Galloping Mind

Original title: Galloping Mind

Twins, a boy and a girl, are separated at birth. The girl grows up in a bourgeois home while her brother grows up in a street gang, neither knowing about the other's existence. Twelve years later their paths cross again and they discover their common destiny, imposed on them by adults. This is the beginning of an exciting journey to discover their roots and search for their independence. But neither is able to escape their past...
