

Generation B.

Original title: Generatie B

On a Wednesday or Thursday Belgium's rating dropped from AA+ to B. Everything that follows is true. Slightly exaggerated maybe, but not that much. This is where *Generation B.* takes off. A shameless absurd comedy about the generational conflict between young people who carry the weight of the new economic crisis and the powerful baby boomers who have no intention of giving up their luxury lifestyle. *Generation B.* follows six young people trying to survive in the metropolis that is Brussels. Jonas's once perfect life has disintegrated, leaving him homeless, jobless and without his girlfriend Brulletje. When he meets underground guru Sebastiaan who wants to unleash a revolution against the baby boomers, everything reaches a boiling point....
