Goat Girl

Original title: Goat Girl

This is the story of Gigi, a 13–year-old girl who just happens to have been raised by mountain goats. But now that she's a teenager, her Nanny and Billy think it's time that she spread her wings (er… horns?). This year, she will attend a boarding school and, for the first time in her life, spend time around actual people. *Goat Girl* is about being comfortable in your own skin, about being happy being you, about embracing your differences and your quirks - and even your weirdness!
