

Gravity

Original title: Gravity

The cinematic kiss is probably one of the most archetypal images of film history. Playing with the physiological and cinematographic principle of the after-image, Nicolas Provost causes dozens of fast-edited kissing scenes from European and American film classics to collide. The reassuring world of multiplied cinematographic kisses is shattered by a stroboscopic effect that plunges us into the dizzying vertigo of the embrace.

CREDITS

DIRECTOR: Nicolas Provost

CREATION DETAILS

TYPE: Film

PRODUCTION SHARE: Majority Flemish
Production

YEAR OF PRODUCTION: 2007

PRODUCTION STATUS: Completed

ORIGINAL TITLE: Gravity

ORIGINAL LANGUAGE: no dialogue

TECHNICAL SPECS

RUNNING TIME: 6'
