

# Greetings from the Colony

Original title: Bon baisers de la colonie

**At the age of four, her father took Suzanne away from Africa to give her a European education. She is what people in the colonial era called, "a mulatto child saved from a negro destiny". Suzanne is my aunt and her father is my grandfather. However, I was not aware of her existence until I was 27. This film breaks the silence that has shrouded her origins.**

## CREDITS
