Hakketuf

Original title: Hakketuf

Mikke and his two brothers live a joyful life on a farm in northern Belgium. When their mother Rita gives birth to a fourth child, Benji, who appears to be half cow, half human, the family is torn apart. After Mikke almost gets Benji killed during a boating trip on a polluted lake, older brother Siem is furious. The fight between Mikke and Siem exposes the difference between the brothers regarding how to raise the newborn child. So, they must find a way to bring the whole family together and to prevent the farm from going bankrupt.
