

Happy Together

Original title: Happy Together

Martin and Eline are the epitome of a happy couple: they live in a beautiful house with their two gorgeous kids. But when they sign the deeds to purchase a summer residence in Tuscany, their good fortune starts to crumble. The disappearance of their bank manager with large sums of money triggers a series of setbacks that bring the perfect family to their knees. But are these developments down to errors of judgement Martin made? In an attempt to protect his family and himself, Martin gets caught in his own web of lies and cheating. The only way out seems to be a drastic one.
