

Henri

Original title: Henri

After his wife dies Henri, a man in his fifties of Italian origin, needs help in his restaurant, La Cantina, situated near the Belgian city of Charleroi. His daughter suggests employing a 'white butterfly', as the residents in a nearby home for the mentally handicapped are known. Rosette is one of them: upbeat, loving and really just a bit 'odd', she yearns for normality. With her arrival, a new life begins for both of them.
