Original title: Heizel '85, Requiem voor een bekerfinale

On May 29th 1985 the Heyzel football stadium in Brussels was the setting of a terrible nightmare. 39 people were killed in riots that took place prior to the UEFA cup final between Liverpool and Juventus. Still the match was played and broadcast live. We investigate what happened, how it could happen, and who took the decisions. We also ask the viewer: what would you have done had you been there?
