

H.I.T.

Original title: H.I.T. (De Romeo's film)

Things don't work out very well for The Romeo's. After Davy shows up late at their concert once again, Chris has had enough and decides they should split up. When Davy gets caught up in a fight with a lethally dangerous fan, he finally offers an explanation: for years he has been a Secret Agent for H.I.T., an organisation that watches over the safety of the Flemish showbiz community. With the European Schlagerfestival coming up, the threats have become real. But Chris and Gunther still don't believe him, so Davy has no choice but to enlist his friends into the organisation.
