

Holding The Sky

Original title: Holding The Sky

Shaman and leader of the Yanomami Davi Kopenawa is outraged: gold-diggers are mining the forests and polluting rivers. After a life of combat, the battle against destruction starts to weigh on him. Then Bolsonaro becomes president and the Yanomami are defenceless. Davi must travel the globe to spread awareness, fighting not only external threats but a new generation seduced by capitalism. Is his son Dario prepared to take over the leadership; will he become a shaman too? Will Davi and Dario be able to avert the falling of the sky?
