

How To Kill Your Sister

Original title: How To Kill Your Sister

After eight years of silence, Anna Laroux appears at her sister Kat's door in a car with a coffin strapped to the roof. Anna is heading to Spain, where their parents died. Terminally ill, she needs Kat's help to end her own life, and to scatter their parents' ashes. But both sisters harbour deep secrets, and the closer they get to their destination, the harder it becomes to hide the truth.
