

Huggleboo

Original title: Knofje

Huggleboo is a spirited little girl who enjoys adventures in and around the house where she lives with her parents and her newborn baby sister, but also in her garden and at her grandparents' farm. Together with her doll Fluffy, Huggleboo explores her self-contained world finding simple things that might seem ordinary but are special and exciting to her: from playing hide and seek to turning her room into a princess palace; to finding a beautiful butterfly in the grass...
