

# If Only for a Moment

Original title: Al was het maar voor even

Astrid, a young artist, has turned her back on the world and, in a deserted landscape, works on a piece of land-art. Days pass and her loneliness becomes stifling until she meets eccentric geologist Emily. Quickly they form a deep connection. Far away from the real world, in a wild and beautiful environment, they can fantasise, dream and philosophise carelessly. Their lives seem temporarily idyllic.
