

# In Silence

Original title: In alle stilte

In Silence centres on Fred, a 28-year-old shy bachelor woodcutter, who lives in a small village in the Ardennes. He secretly loves Isabelle, the notary's daughter, but his love is doomed, because of the too many differences between them two. One day Peter, Fred's old friend, returns to the village, after his marriage to a town-girl fails. Isabelle has always been in love with Peter, she tries everything to win his heart, but he refuses all advances. During a heated discussion, Isabelle loses control of the car and crashes against a tree. Peter jumps out of the car, just in time. With Peter's help, Fred frees himself of his love for Isabelle, which had become a real obsession, and faces his life without her.
