

Insyriated

Original title: Insyriated

Trapped inside her house in Damascus, a city under siege, mother of three Oum Yazan has turned her home into a safe harbour for her family and neighbours, trying to protect them from the war outside. When bombs threaten to destroy the building, when snipers turn the courtyards into deadly zones and burglars break in to claim their dreadful bounties, maintaining the thin balance of routine inside the walls becomes a matter of life and death.
