

J'aime la vie

Original title: J'aime la vie

Mira is a young single mother, always positive and brimming with energy. She has a good job as a home nurse, close friends and a good relationship with her youngest brother. But when she receives devastating personal news, Mira decides to reconnect with her eldest brother, and attempt to reunite a family that never really existed. And so this colourful, not-quite-ordinary group of people heads to the Ardennes for a weekend. But building and strengthening the family ties will be a challenge. *J'aime la vie* is a film about bonding and letting go, and about love... a lot of love.
