

Just Jools

Original title: Just Jools

Twelve-year-old Jools dreams of dancing confidently on stage. But how do you find that freedom when you feel that people only see your limitations? Everything changes for Jools when she meets Yorrith, a choreographer who had to teach himself to move again after a stroke. Yorrith recognises Jools's inner struggle and challenges her to push boundaries and embrace the impossible. Together, they embark on an emotional journey of vulnerability, perseverance and the search for freedom. He shows her the power of dancing in her own way without the judgement of others.
