

Kinky & Cosy

Original title: Kinky & Cosy

Quirky little sisters Kinky and Cosy manage to wreak havoc with their naivety and innocence. Fearless and completely uninhibited, these cute little horrors waltz through life, causing mayhem and slapstick with their unfazed children's logic. Surrounded by a large number of secondary characters equally endearing and burlesque, the blond haired twins in their little red dresses invade the Flemish and French press daily in three-panel strips. Three small panels; that's all it needs for a daily dose of nonsensical and politically incorrect humour!
