

Kwaku

Original title: Kwaku

Kwaku lives with his grandmother Nana in a small village in Ghana. Nana always tells Kwaku a traditional Ghanaian fable about a clever spider called Kwaku as well. Like the spider, the boy is smart and independent and does most of the chores because Nana has a problem with her leg. One day, Kwaku hatches a plan to get a present for Nana - a present he's been wanting to get her for some time.
