

La Manzana

Original title: La Manzana

Danilo, an introverted 10-year-old boy, is on the verge of moving out of Cuba with his young mother. When he gets a green apple, a rare fruit type in the country, the boy grabs what might be his last chance to impress his classmates. *La Manzana* (The Apple), is an intimate look into the world of a pre-teen and his hopeless attempt to say farewell to everything and everyone he's ever known. His departure will not go unnoticed.
