

Le Ry de Belle Rose

Original title: Le Ry de Belle Rose

The hotel that used to be my favorite holiday spot, has now become a disconsolate place in the Ardens (Belgium). Freddy and Jeannine try to keep the hotel alive, but have to face the reality of time passing by. The documentary is a portrait of two old people in an old hotel, faced with decline. I, the hotel, the guests and themselves feel this situation as irreversible, with no high hope. A tale without an end.
