

# Left Bank Patrol

Original title: Patrouille Linkeroever

Left Bank Patrol is a fake reality show in which we follow the adventures of a police corps based on the Left Bank of the river Schelde. This motley crew guarantees the order and security of this peninsula across the river from the city of Antwerp. Their personal motivations, and frustrations, however, affect their ability to function. But they remain a team: offering a perfect setting for absurd and hilarious situations. This comic police series parodies life in a police department. The combination of the characters and their experiences with the reality-TV show, gives the series a hilarious tone.
