

Les Grandes Vacances

Original title: Panique au Village - Les Grandes Vacances

School is out. The long summer is approaching. Indian and Cowboy are bored. They go to see an old pirate film in the cinema and it wakes them up. They decide to build a ship and go on an adventure, but their first attempt turns into a disaster. With the help of the animals, they finally manage to build a beautiful ship. Everything is ready for the great departure, but of course nothing goes according to plan. It's just one disaster after another.
