

L'Homme inconnu

Original title: L'Homme inconnu

After the success of his first novel, thirty-something Flemish writer Louis is suffering from writer's block. Hoping that a new place will inspire him, he sets out for the Côte d'Azur. One day he sees a couple making love on the beach. They introduce themselves as Melanie and Tommy. It is Tommy, in particular, who arouses something in Louis. Unsure what to do with this desire, he decides to write down his lustful feelings, until he becomes completely obsessed with Tommy. The extreme plot twists in Louis's story begin to bleed into reality.
