

Life Is Cruel To Basilia Belushi

Original title: Life Is Cruel To Basilia Belushi

Three sisters in their late forties reunite in Ghent, where Agatha lives, to celebrate their mother Vassilia's 80th birthday. Vassilia lives in Greece with the youngest sister, Yolanda, on whom she is entirely dependent. Barbara, the middle sister, arrives last from Berlin, secretly carrying a book she has written about their family secrets. Tensions rise when Yolanda announces she's moving abroad with her partner and can no longer care for Vassilia. At Agatha's party, emotions erupt and past wounds resurface. Then Vassilia suddenly disappears.
