

Los Flamencos

Original title: Los Flamencos

A black comedy about the elderly Fleming brothers - Raoul, Pé and César - who buck demographic trends to commit one last bank heist. At first there appears to be no other motive but to recall the good old days; but it turns out they do have noble goals: retaining a childlike mentality makes it easier to tolerate the ravages of time. If you only live once, why not live a little crazier? Better late than never...
