

Love Drifts

Original title: Love Drifts

A pregnant woman and a man both wish to escape themselves, but they don't want the other to leave. Failing to communicate with each other, they get lost in the big empty house they just bought, waiting for a new beginning. Love Drifts observes those times in which we look for meaning, the attempt to reconnect, reminisce and mourn about past lives and new ones...

CREDITS

DIRECTOR: Nelson Moens
WRITER: Nelson Moens
CAST: Delfine Bafort
