

Luce and the Rock

Original title: Luce en de Luce en de Rots

Luce is a curious and daring six-year-old who, every morning, opens her little bedroom window to see what's happening in the Lovely Land. Every day is a new adventure that Luce shares with her best friend, a giant Rock. Together, they explore the unexpected, meet surprising creatures and discover other points of view. In a universe brimming with visual and narrative creativity, Luce gives a different outlook on the world.
