

# Lucky 6

Original title: Rang 1

The Sterckxs are a regular middle-class family from Leuven. Paula is the one who comes up with the idea of reviving a family tradition on the occasion of her granddaughter's ninth birthday. Together with her husband Wilfried, their daughters Becca and Nicky, and their son Chris she wants to fill out a lottery form again, for old time's sake. None of them suspects that this will change their lives drastically... They filled in the six correct numbers and are the only jackpot winners. Very soon, they learn that money cannot solve all of their problems and are forced to re-evaluate their lives and to consider the things that are really important: love, family, identity, creativity and health.
