

Manneken Pis

Original title: Manneken Pis

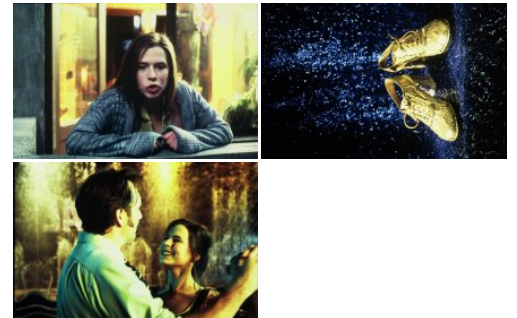

Passion... True Love... Harry scrambles into the tram, exchanges glances with Jeanne, the tram conductor and falls madly in love, there and then... He tries to approach her... He would like to get closer... Twinkle in their eyes... This is how it could have been for them and how Harry and Jeanne would have wanted it to be, yet we all know that love comes either too early or too late, but never at the right moment.
