

Many Heavens

Original title: Vele hemels

Eva is always ready to save the world. Solid as a rock, she's there for her teenage niece, her quarrelling parents and her besotted sister - all the time. She is a champion of giving, except to herself. Indeed behind her wide smile and immense empathy lurks a growing, gnawing loneliness. In *Many Heavens*, five people are more at odds with themselves than with each other, navigating an existence that is simultaneously ridiculously beautiful and terribly tricky. A film about obstacles that grow into mountains and having the courage to choose your own happiness.
