

# Marit & the Maximarket

Original title: Marit & de Maximarkt

Sixteen-year-old outsider Marit believes the only way to fit in is to become the 'most valuable employee' in the enormous Maximarket, where a sophisticated machine appoints jobs based on the employee's personality traits. But during her application Marit is categorised as an 'error'. While this first error leads to an ever rising cascade of problems in the store, it forces Marit to find out where she truly belongs.
