

# Maturing As a Tree

Original title: Maturing as a Tree

A young filmmaker tells a friend about the movie he is trying to make. He is bursting with enthusiasm but seems a bit anxious at the same time. The more he tries to convey his inner motivations, the more he feels a growing sense of doubt. Even when showing the fragments he's really proud of, an inevitable fear of inadequacy remains: can the images really show what he aims to tell?
