

Meeting William Wilson

Original title: Meeting William Wilson

Meeting William Wilson is a dramatised recording of a performance by 80 identical twins in the Museum Dhondt-Dhaenens in Deurle. The astonished and at times downright bewildered reactions of the public are recorded as they appear. The whispering voice of a man narrates William Wilson, an Edgar Allan Poe story about a man who is bothered by his mirror image that came to life.

CREDITS

DIRECTOR: Koen Theys
