

Mom

Original title: Mama

Claudia is on the verge of getting married. Her mother doesn't show up. When the moment of truth approaches, and the tension rises to a top, Claudia searches for her mom in her wedding dress. By means of claudia's memories, the audience gets a view of the life of the mother, and the relationship with her daughter. Thanks to the confrontation with reality, at the reunion of mother and daughter, Claudia finds out that her recollections do not always match the truth. She makes the decision not to get married.
