

My Ras Tafari Roots

Original title: My Ras Tafari Roots

David Verhaeghe seeks to uncover the truth behind the big family secret: was his Italian grandmother the lovechild of legendary Ethiopian emperor Haile Selassie, born Ras Tafari Makkonen and still religiously admired today? My Ras Tafari Roots is the fascinating and intensive quest of a young European who searches for his African roots via forgotten family members in Italy and Cyprus. In the end, it is the natural mysticism of the Jamaican Rastas that seems to point David towards the imperial family. Will he succeed in discovering the truth about his ancestry?
