

Naked

Original title: Verlangen

Marie meets Luis at a Halloween party, and an instant spark ignites between them. Their passion is liberating for her, but she overlooks the first signs of his sex addiction. When she realizes the truth, she's already in love and tries to save him. After an ex accuses Luis of abuse, doubt creeps in. He promises to change but spirals deeper—cheating, consuming violent porn, and neglecting Marie and her son. Drawn into his darkness, Marie loses control of her own life. After a dramatic breakup, she rebuilds her life with her new boyfriend in the countryside—until she unexpectedly runs into Luis again.
