

# Ne me quitte pas

Original title: Ne me quitte pas

**Ne me quitte pas** is a tragicomic ode to failure. Set in a village on the edge of Belgium, Bob (Flemish) and Marcel (Walloon) share their solitude, sense of humour and craving for alcohol. They have agreed that suicide is the best way out if the worst comes to the worst. They have even chosen the perfect spot: under Bob's tree of life. Time passes slowly in the Wallonian countryside. Fortunately, there's wood to be chopped, sticky flypaper to be hung and there are occasional trips to the dentist. The remaining time is killed with drinking.
