

Ninja Express

Original title: Ninja Express

Is there something you need that no one can deliver? Sounds like you need Ninja Express! Say you want a dinosaur delivered to your doorstep. Kiro, the yellow ninja, can look through space and time, and say exactly where to find one. Konpeki, the blue ninja, can travel through space and time to collect it. And to get the dino to your apartment on the 25th floor, Aka, the red ninja, can shrink it by inhaling its mass. And there it is: one T-Rex, delivered to your doorstep. Please sign here!
