

# Old Belgium

Original title: Oud België

Ancienne Belgique, Antwerp, during the 1970s. With the growing popularity of television, theatre attendance dwindles and stage actors are forced to make the transition from music hall to television. To make matters worse, real estate tycoons are turning many of Antwerp's buildings into shopping malls. As seen through the eyes of its colourful characters, this production tells the fascinating story of how the AB in Antwerp met its ruin, and possibly ushered in the end of an era.
