

# Oldtown

Original title: Oldtown

Oldtown is a holiday resort for retired people. A place where life is enjoyed to the full. The only drawback is that they frequently have say goodbye, permanently, to a fellow resident. Then they hear that an anti-aging pill has been invented that will change this forever. The only problem is that it will take three or four months to reach them. So, the residents trade their depraved lifestyles for healthy living, in order to make it alive to the deadline. But what happens afterwards?
