

Ollie

Original title: Ollie

In a very busy city, there is a peaceful place. It's a little park, closed in and forgotten, in the middle of the city. It is where you can find Ollie and his friends. A little owl, a small stork, a young frog and five little birds live there and have many adventures together. If you want to meet them, you best come at nightfall. That's when the city turns quiet and everybody goes to sleep. Except for Ollie and his friends who are still awake, just long enough for a little adventure. You are very welcome there... if you can find it.
