

One of Us

Original title: One of Us

In a misty white landscape, an endless procession of people roams. They are characters from the three largest processions of Flanders and look like figures from old Biblical movies. The men are wearing fake beards, dusty robes and long-haired wigs; the women have exaggerated make-up and wear long robes and burkas. In a mesmerizing manner, as in a strange ritual, these people mutter: "One of us ... One of us ... We accept you ... We accept you ... One of us ... One of us ... Gooble Gobble ... Gooble Gobble ... One of us ..."
